

# Awareness Training & Phishing Managed Services

## Managed Awareness Training & Phishing

For organizations that  
want Enhanced  
Employee Security.

### Why Managed Services

- Leverage Expert Security Resources for:
  - Best Practices
  - Compliance
- Compliance Level Setup, Management, Reporting
- More Timely Results
- Offload Your Resources
- Eliminate Training

At eSecurity Solutions, security is our only business. Since 2003, we have focused exclusively on products, services and managed services especially for business. We don't sleep until your data and business is secure and compliant.

## Protect Your Most Vulnerable Asset... Your Employees

### What Problem Will We Solve for You?

Configuration and ongoing management can be a challenge for training systems. Employee simulation training like phishing and vishing require monthly or weekly actions to obtain proper results.

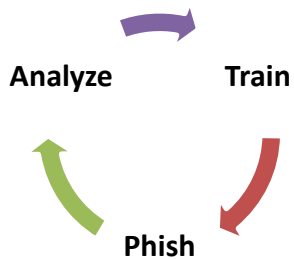

We will setup and manage your training and testing system to give you the best results without having to learn and continually manage the underlying systems. You will receive reports and oversee the ongoing program and tests delivered to achieve maximum results. You will be able to monitor your company's human capital security readiness and measure improvements and identify groups of people that need more help to reach your security goals.

### What We Will Do

- **Setup Your Training & Phishing Systems:**
  - Set up Your Test Sections:
    - Awareness Training Program
    - Phishing Simulations
    - Vishing Tests
  - Work with You to Configure Your Antivirus, Email Spam and Gateway Firewalls to Allow Phishing Simulation Traffic
  - Define User Groups and Tests Assigned to Each Group
  - Select Supportive Collateral to Be used by Your Organization
  - Define Which Template Libraries to Use for Your Phishing Emails. Emails Can be delivered Randomly from a Large Library of Choices.
  - Review Reports to be Provided to Measure Progress<sup>1</sup>
- **Baseline Phishing Test to Measure your Future Progress and Current Gap**
- **Monthly Management Activities**
  - Reporting:
    - Reports Provided for 1<sup>st</sup> 3 months automatically then on a Quarterly Basis<sup>1</sup>
    - On Demand Reports provides as Requested Any Time<sup>1</sup>
    - End-of-campaign reports are automatically sent out when completed
  - Send Educational Collateral to your Teams and Update when Available
  - Identify People Who need Additional Training & Schedule Courses
  - We will Notify you of Important Updates to Course Material as It Becomes Available by email.

# Managed Cybersecurity Awareness Training & Phishing Simulations
